Networking Location

#### The Boardroom

Stunning Amenities. Surprisingly Affordable.

You cannot put a price tag on how the reputation, appearance, and location of The Boardroom will enhance your professional image with your clients and prospects. Imagine the frequent opportunities to network with other successful business professionals.

You will be located in the first upscale 30,000+ square foot professional building in Grants Pass. This cohesive, professional, and productive environment will be preserved by an input advisory board of existing Board Members for the review of future member applications. Our select group of 24 Boardroom Members will agree to abide by a code of ethics, mutual benefit, and a common desire to serve our clients well.

"You never get a second chance to make a good first impression."

The creators of The Boardroom have carefully woven the essence of this adage into every aspect of this facility. The Boardroom address for your business ensures the right first impression is always made.

Gold Club Benefits

Stepping out of The Boardroom's elevator, your client will enter the sunny

The screenshot shows a web browser window displaying the Grants Pass Now.com website. The main content area features an advertisement for 'The Boardroom' with a sidebar on the left containing navigation links like 'Home', 'Events', and 'The Boardroom'. The ad text is identical to the one in the main advertisement above.
